The Honorable Hillary Rodham Clinton
Secretary of State
U.S. Department of State
2201 C Street, NW
Washington, D.C. 20510

Dear Secretary Clinton:

We thank you for your response to our recent letters regarding the attack on our consulate in Benghazi that led to the tragic loss of four patriotic Americans. We appreciate your efforts to quickly establish the Accountability Review Board, but hope you will work with Congress on our investigations of the situation and attempts to collect information.

To that end, we hope that in the next few days you follow through with transmitting information requested by members of Congress. In particular, we renew our request for all communications between the diplomatic mission in Libya and the State Department related to the security situation to be transmitted to the Senate Foreign Relations Committee without delay.

We thank you for your swift and personal attention to this request.

Sincerely,

Bob Corker
United States Senator
