

**Fiscal Year 2010 Requests for State and Foreign Ops Appropriations
1 May 2009**

Project Name: Polio Eradication

Request: \$32,000,000

Suggested Recipient: United States Agency for International Development's Polio Eradication Initiative

Purpose: FY10 funding would enable USAID to continue to support polio eradication efforts around the world where polio is still present or poses a risk.

Project Name: Polio Eradication

Request: \$102,000,000

Suggested Recipient: Centers for Disease Control and

Prevention's immunization program

Purpose: FY10 funding will enable the CDC to continue its global technical leadership in support of high quality immunization campaigns and polio surveillance in order to interrupt poliovirus transmission globally as quickly as possible.
